

A white line drawing on a teal background depicting a modern architectural complex. The drawing shows a central courtyard area with a walkway leading towards a building with a flat roof and multiple levels of balconies. To the right, another building with a sloped roof and balconies is visible. The foreground features a low wall or railing that frames the courtyard.

INVESTMENT HIGHLIGHTS

AN ASSET IN THE HEART OF GRAND PARIS, NEXT TO THE OLYMPIC VILLAGE

The building is located to the west of Saint-Denis, **next to the A86 motorway**, and is currently served by **metro line 13, a 5-minute walk away**

Access will be considerably improved from 2024 due to its proximity to the **Saint-Denis Pleyel station, Grand Paris'** largest transport hub

Spallis benefits from a strategic location within the largest urban renewal programme in Grand Paris, driven by the momentum of the **Olympic Games**

A building at the heart of the Saint-Denis office market, which has been recognised for more than two decades as a **major hub in the Greater Paris Region** and which continues to attract large users

POINTS CLÉS DE L'INVESTISSEMENT

A MODERN BUILDING BUILT AROUND A LANDSCAPED GARDEN

The property complex, designed by **Béchu et Associés**, was delivered in 2009, and sits along the A86 motorway, making it highly visible

Spallis comprises approximately **37,000 sq m** over a landscaped ground floor and garden level **and 7 upper floors**. The space is spread over 3 independent buildings, and the property has **493 parking spaces**

It provides generous outdoor spaces with its **1,300 sq m landscaped garden and 4,890 sq m of accessible terraces**

The asset has divisible, high-quality work spaces: **4,500 sq m standard floorplates divisible into 6 units, 2.70 m** clear height, 18 m depth

The building offers its users **an extensive service base which is naturally lit**: restaurant, cafeteria, gym, etc

SPALLIS
7 RUE AMPÈRE - SAINT-DENIS

A RENTAL CHALLENGE IN AN EMERGING SECTOR

Spallis is **14% let to 5 tenants** from various sectors

The total current rent is **€1.18 M** i.e. an **average rent of € 207 /sq m**

The remaining firm period is **2.5 years** as of 01/09/2022

LOCATION & SURROUNDINGS

Spallis is located in the town of **Saint-Denis**, to the north of Paris, at 7 rue Ampère, 2 rue Michel Faraday and 10-12 rue James Watt.

The asset is located on the main corridor **between Paris and Charles-de-Gaulle airport** and benefits from very good public transport access, which will be enhanced in the short and medium-term by the opening of the largest Grand Paris transport hub, Saint-Denis Pleyel station, and the arrival of line 14 in 2024.

It is also **highly visible** from the **A86** motorway, in the heart of the established Saint Denis office sector.

Spallis is located in the Pleyel district of Saint-Denis, at the heart of a **very large-scale urban transformation programme** driven by the 2024 **Olympic Games**, with the department of Seine-Saint-Denis having taken **almost 80% of public investment** for the Olympic Games, i.e. **more than €1.0 billion**.

The Pleyel district has been **completely redesigned and now includes** the Saint-Denis Pleyel station, one of the **largest in the future Grand Paris** metro system. The district is positioning itself as **Grand Paris' future strategic hub**.

A STRATEGIC LOCATION

WITHIN THE LARGEST URBAN RENEWAL PROGRAMME IN GRAND PARIS

2020 - 2025

Pleyel Crossing, 700 m long, including 300 m of track crossings, 12,000 sq m of public spaces created on the crossing
